ERY and Dressmakers to our stock, as being the largest  
and most complete in the city.  
All orders will receive careful and prompt attention.  
J. M. WOOD.

**The Osborne Sulky Plow**

THIS implement has grown rapidly into popu-  
larity, and has become as indispensable as the  
mowing machine. Any right handed plow can be  
drawn by it, and it is the only one that can be  
drawn by hand. In stony and hard land its advantage  
is especially marked. It is a simple machine, and the  
plow is being being calculated to force it into  
general, however hard. The plow is handled by the  
driver from his seat by a simple system of levers,  
enabling him to control its operation with absolute  
certainty. Send for a circular.

**FRED ATWOOD,**  
Vintropor Me.

**The CONSTANT WHITE**

**PAINERS.**  
Known in the art of painting. It presents a surface like porcelain, and is warranted to wear 30 years. Manufactured by
